

Product Schedule for Pioneer Plan

This is the Product Schedule referred to in Our Standard Terms and Conditions for the supply of Energy to Residential Customers (**Standard Terms**). All capitalised terms used in this schedule have a particular meaning which is specified in the Standard Terms. All clause references in this Product Schedule are references to clauses in the Standard Terms. These terms apply to customers on the Pioneer Plan in addition to the Standard Terms and may be amended from time to time in accordance with the Standard Terms. If there is a conflict between a term in Our Standard Terms and in this Product Schedule, the term in this Product Schedule will apply. Any capitalised terms set out in this Product Schedule which are not defined in this Product Schedule have the same meaning as set out in the Standard Terms.

Availability

The Pioneer Plan is only available in a selected number of regions and for a limited time period unless extended by the Pulse Energy Alliance LP at its sole discretion.

Price Promise

- The Pioneer Energy Retail Price Promise applies to the combination of fixed and variable electricity rates and delivery charges you are on with your current retailer at the time of our offer. Residential customers only and excludes spot priced plans, holiday homes and any other special prices offered by your current retailer such as credits and bundled offers. Price Promise offer cannot be done against any other brands or plans trading under the Pulse Energy Alliance.
- The Price Promise adjustment applies only to variable electricity Energy rates (as specified in your Welcome Letter). The Price Promise adjustment does not apply to Delivery charges (including Network Services, Retailer Services, Metering and the Electricity Authority Levy) or any LPG or Natural Gas related charges. Any other credits or fees You may receive or incur from time to time in accordance with the Standard Terms are not subject to the Price Promise adjustment.
- Where You have provided a recent invoice from Your current retailer, We have calculated an adjustment which is set out in Your Price Plan (labelled Price Promise) to reflect Our Price Promise. If You could not supply a copy of Your most recent electricity bill from Your current electricity provider (or You do not have a current electricity provider), then You acknowledge that the Price Promise does not apply to any rate You are offered by Us.
- If You accept the supply of Energy from Us pursuant to Our Price Promise then this Agreement is conditional on Pioneer being satisfied in all respects with the rates You are currently paying You electricity provider and any PPD You receive from them, as well as whether or not We are using the correct configuration for Your account. Pioneer reserves the right to request a copy of Your most recent electricity bill from Your current electricity provider and to contact Your local Network Company to satisfy itself as to these matters. If You have not received notification from Pioneer regarding this condition not being fulfilled within five Working Days of the later of signing the Agreement and providing Your most recent electricity bill (if requested by Us) then Pioneer will be taken to be satisfied with the Adjustment it has offered and Your Agreement shall be deemed to have come into full force and effect on the Commencement Date. If Pioneer Energy Retail is not satisfied as to these matters, then We will contact you and Your Agreement shall be automatically cancelled and will be of no further force or effect.
- Price Promise is not available to Commercial properties and it cannot be switched to a Commercial property even if it is on the same Network.

- If you would like to switch between a Low or Standard User Plan, and this option is available to you at the time, we will if required recalculate the Price Promise adjustment applicable at the average consumer consumption as defined in the Electricity (Low fixed charge tariff option for domestic consumers) Regulations 2004 and adjust the Price Promise adjustment accordingly.

Delivery Charges

Pioneer Energy Retail seeks to pass through Network Service Charges in accordance with Our Standard Terms (See Delivery Charges in Our Standard Terms). On the Aurora Network a portion of their Network Charges are adjusted based upon seasons (summer/winter). On other GXP networks* these are determined by an allocation (based on your usage) of charges we receive from the network. For the purpose of the Price Promise product Pioneer Energy Retail has levelled this charge across a full year based on seasonal weights using the Network's GXP data. Pioneer Energy Retail seeks to recover the total charge it faces across all relevant consumers. An individual consumer's charges may differ between the levelled charge and the underlying Network Charge due to changes in the timing of consumption and other assumptions. For Networks with time of use pricing, we convert the time of use rate to a flat rate for our customers.

Payment Terms

All of Our standard payment options as detailed in Our Standard Terms apply to this Plan.

Late Payment

If full payment of an invoice is not received by the due date stated on the invoice an Administration of Arrears charge will be applied to Your account. This charge will be \$1.15 per day that the balance of the invoice remains unpaid.

Termination, Switching Accounts or Moving Premises

If You wish to terminate Your Agreement for any reason You are able to do so by contacting Us using the details as set out in Schedule 1 of Our Standard Terms or on Our website. You must provide Us with no less than 30 days' notice. If You terminate this Agreement without providing Us with no less than 30 days' notice You must pay Us an Early Termination Fee of \$150 + GST.

*GXP Networks include Aurora, PowerCo, Scanpower, Orion, Alpine Energy, Waitaki networks, OtagoNet, The Power Company & Electricity Invercargill
